HUBZone  
Small Business  
ISBEE

### THE OIS ADVANTAGE

Osage Innovative Solutions (OIS) is a Tribally-owned company and HUBZone-certified business providing IT services and solutions to government, telecommunications, aerospace, financial and gaming industries.

OIS technology solutions provide “best value” and focus on project delivery, efficiency and innovative technology. We specialize in managed services, continuing operations, disaster recovery and large-scale mission focused services to keep organizations performing on time and on mission. OIS also provides custom software development and cybersecurity services with an emphasis on hosted software solutions.

### SELECTED PAST PERFORMANCES

#### U.S. Army – MSCoE at Ft. Leonard Wood

OIS provided complete Information Technology (IT)/Audio Visual (AV) support to the U.S. Army, Training and Doctrine Command (TRADOC), Maneuver Support Center of Excellence (MSCoE) G6. OIS performed administration and maintenance to include setup, upgrades, and configuration of all workstation and server operating systems, commercial application software, custom-developed software, and other devices and components required for the classroom systems.

#### U.S. Army – MCC Ft. Sill

Via a Blanket Purchase Agreement (BPA), Osage provided all equipment, tools, installation and manpower to provide closed circuit television security system (CCTV) and audio/visual systems.
